NO C-1-01-739

JAMES BONINI, Clerk
CINCINNATI, OHIO

(ATT'D NOVOTNY M.J.)

MAYOR PARK'S EMAIL

Now comes Plaintiff motion I denstifying
the documents needed for discovery as ordered
by the court (see) Doc 41 Dec 15, 2003

Plaintiff Brought this case as to the
defendants Repeatedly Refused Watley medical
attention for his neck. The defendants
Repeatedly denied Watley medication that
was prescribed by the specialist at
the Correctional Medical Center (C.M.C.)

They have denied Watley medical treatment
for a Razored blade being in his stomach
and Refused Watley a brace for his
arm and at wrist and denied Watley
medical attention for ~~no~~ ~~no~~ were damage to
his left arm

The court notes that defendants have
submitted numerous documents from Watley
medical file. But if the court would
Read Watley's Complaint and look at
"specific issues" in Watley's ~~case~~ is
claiming he was denied medical attention
for the court will see that those

... documents the defendants have submitted
has nothing to do with Watley's complaint
and the specific issues Watley complains
about in his complaint

Mr Watley specifically needs these items
listed below

I need all informal complaints grievances
and appeals to the chief inspector and her
decision concerning Watley being denied
medical treatment for his back and for
the damaged nerve ~~in~~ in his left arm from
August 2000 to the present

I need all ~~the~~ informal complaints grievances
and appeals to the chief inspector about being
denied prescribed medication from August 2000
to present

I need informal complaints grievances and
appeals to the chief inspector ~~to~~ about
being denied medical treatment for the razor
blade being in his stomach and all x-rays

a complete copy of Watley medical file from
August 2000 to the present and such
consist of all M.R. T's that was taken

of Wotley's back and all test shot was
on Wotley's back showing nerve damage
any and all orders for treatment by the
doctors of the Correctional medical center
about Wotley's arm

"Basically I need the complete medical
file from August 2000 to the present as
to there were several orders for treatment
and medication ordered and test showing
damage that defendants denied Wotley and
the only way Wotley can point each incident
out to the Court is by Wotley recovering his
complete medical file from August 2000 to the
present and all six call sign up sheets

The documents the defendants have submitted to
the Court has nothing to do with what Wotley
complains about in his complaint and the only
way Wotley can prove is by Recovery his
"complete medical file" from the time requested
above

for these reasons Plaintiff motion should be granted
Respectfully
John Wotley
